Web Application: <https://smartcube.terraverse.info>

1. Introduction

These Terms govern the use of the SmartCube web application (hereinafter the “Service”) operated by Terraverse, s.r.o. (hereinafter the “Operator”). By accessing and using the Service, you agree to these Terms. If you do not agree, you must stop using the Service.

2. User Account

Access to the Service requires login via a unique user account. Users must protect their login credentials and must not disclose them to third parties. Each user is responsible for all activity conducted through their account.

3. Community Features

The Service may include features enabling user interaction (e.g., content sharing, etc.). Users agree not to submit any false, unlawful, offensive, hateful, or otherwise inappropriate content through the Service. The Operator reserves the right to moderate, hide, or delete such content.

4. Intellectual Property

All content of the Service, including code, databases, texts, graphics, trademarks, and other elements, is protected by copyright and other intellectual property rights. Copying, distributing, modifying, or otherwise using the content without the Operator’s consent is prohibited.

5. API Access

The Service may provide access to public or partner APIs. Use of the API is permitted only upon separate approval or registration and is subject to specific technical and legal terms. Circumventing, abusing, or overloading the API is prohibited.

6. Prohibition of Automated Data Collection and Use

It is strictly prohibited to:

- use automated tools (e.g., scrapers, crawlers, bots) to collect data from the Service,
- mass download content,
- reverse engineer code or databases,
- circumvent security measures or restrictions.

Violation of this provision may result in immediate account suspension and claims for damages.

7. Liability and Limitations

The Service is provided “as is” (unless otherwise agreed in an individually concluded commercial contract). The Operator does not guarantee uninterrupted availability, error-free operation, or suitability for a particular purpose. Use of the Service is at the user’s own risk. The Operator shall not be liable for any direct or indirect damages arising from the use of the Service.

8. Personal Data Protection

The rules for processing personal data are governed separately in the Privacy Policy, which forms an integral part of these Terms.

9. Changes to the Terms

The Operator reserves the right to modify these Terms at any time. Users may be informed of changes via email, in-Service notifications, or updates on the website. Changes take effect upon publication.

10. Governing Law and Jurisdiction

Use of the Service is governed by the laws of the Czech Republic. Any disputes shall be resolved by the competent court based on the Operator’s registered office.
